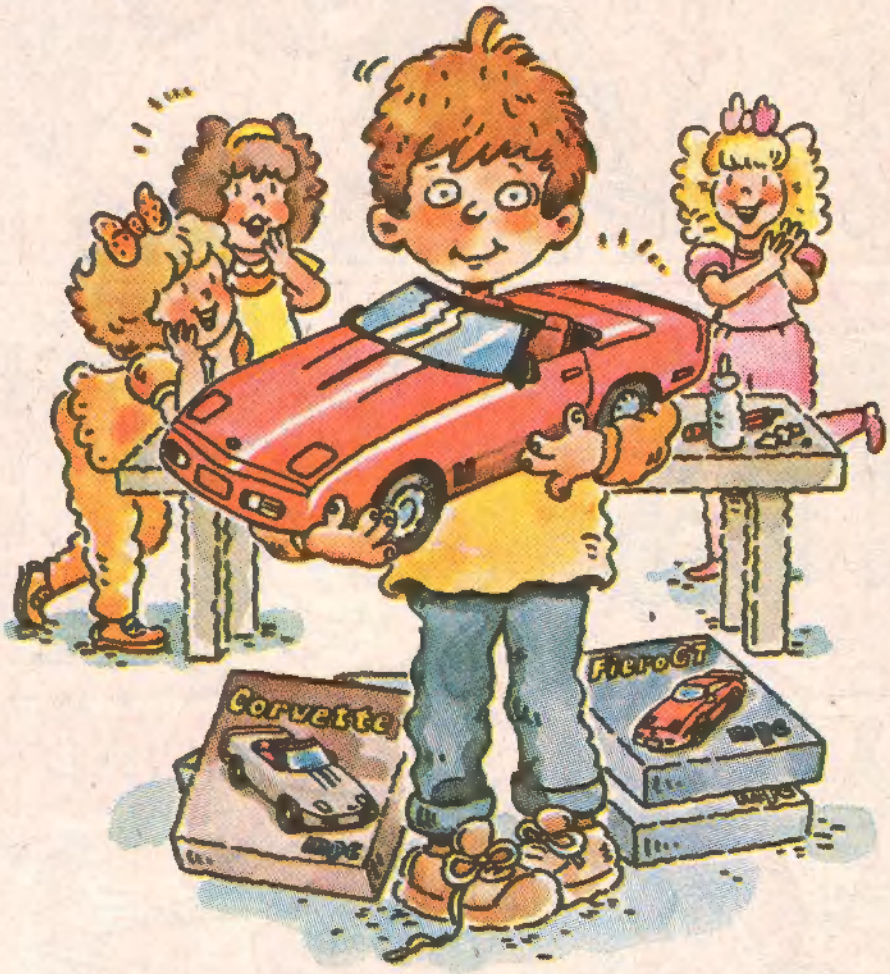
BODY BUILDER



Maybe it's a truck body. Maybe a racing car body. But whatever model you're building, you want it to look the best. That means putting in a ton of care and concentration. And paying particular attention to the details.

And when it comes to details, no one out-muscles MPC. Details are MPC's strength. You see, at MPC special effort is given to insure that every car or truck is 100% authentic.

Whether it's an old model or a new one. A Classic Muscle Car or any of the newest '87 American High Performance Cars, MPC's got a model kit you can wrestle with.

So if it's a great body you want to show off, get an MPC Model Kit.

Just like the real thing. Only smaller.

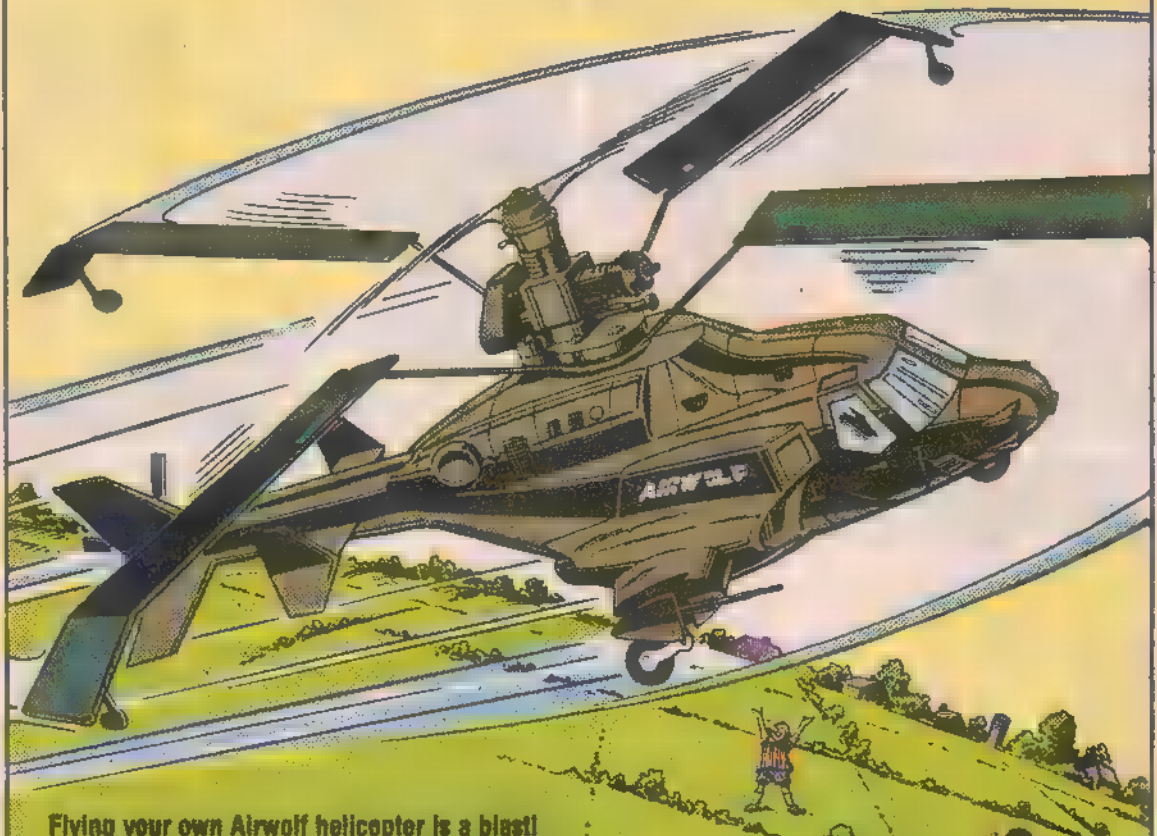
AIRWOLF™

REAL ENGINE POWERED MODEL HELICOPTER

YOU CAN FLY!



Flying your own Airwolf helicopter is a blast! But it's not for the timid. That's because the Airwolf's powered by a real piston driven Cox .049 engine. Fire that baby up, watch the Airwolf's huge blades gain rotation speed and let it fly. Your Airwolf climbs a hundred feet into the sky! Then, the engine runs out of fuel. Your Airwolf begins to fall! But no worry — everything's cool. The sudden loss of altitude causes the auto-rotation blades to change pitch. Your Airwolf slows and settles in for a perfect soft landing. You're proud! You proved your ability! You can fly our own Cox .049 engine powered Airwolf helicopter! Visit your favorite hobby shop or other retailer to get yourself an Airwolf and have a blast!

Dear STAR,

I love the CARE BEARS, and I think their adventures are really funny!

Out of all the Bears, Grumpy is my favorite. But how can I make him less grumpy? What if I said I wanted to meet him? What would he say?

Robin Brady
Sarasota, FL

Thanks for the kind words, Robin! And we did give your message to Grumpy. We had a hunch what his response might be... and we were right! Here it is, direct from the Bear's mouth--

"Hrmmph!! Prob'ly rain!"

(Maybe you should offer him an umbrella?)

Dear CARE BEARS,

CARE BEARS is the best! Especially issue #18, when the Sand-Witch stole everyone's lunch.

Howard Post's drawings are fan-TAS-tic! How did he learn to draw the Bears so well? Someday, I'd like to draw like that. I know that if I practice hard, it could happen.

Claire Gridley
Wilmette, IL

Yup, we agree, Claire! Howard Post is a very special artist--and his drawings show how much he cares, especially about art! Caring strongly is very important when you want to do something well--and you might want to think about that yourself, when you practice drawing. Perhaps drawing the Care Bears would help remind you!

In the meantime, try looking at some of Howie's other work for STAR. He also works on HEATHCLIFF, and until recently, he drew MADBALLS! You should also keep an eye out for the future, 'cause we have some very important (and surprising!) projects lined up for Howie, soon! Keep watching!

Dear CARE BEARS,

My name is Sara. I am four years old. My momma is writing this for me because I don't know how to write.

I love all my family, and I love all the Care Bears. I hope they have a nice day. Tell Grumpy Bear not to be grumpy all the time.

I live in Sun Valley, Nevada. Come visit me someday, or some year!

I hope you love me as much as I love you.

Love,

Sara Blake
Sun Valley, NV

Whew, Sara! Between you and your brother John, there's a lot of loving going on in that sunny valley! What a nice place to love! Er, live! Or, rather, all of the above!

Thanks for showing us what a talented brother-sister writing team can do!

Dear CARE BEARS,

Your magazine is great! I love reading it. I also like to read it to my little sister.

Sometimes I imagine that the Care Bears are climbing into their cloudmobile, and coming to visit me! I wish they would, and I would help them battle No-Heart. Then I would try to tame Beastly, because I think he does have a good heart inside. I could teach him to be nice. Maybe he would wash the dishes, so I don't have to.

Susan Allyse
Little Neck, NY

Hmm. Ve-ry interesting idea, though we think you'll have a lot of training to do before Beastly wants to wash your dishes! Maybe you could wash them together. After all, sharing and cooperating are good ways to show how much you really care! (Think about it--it's already working with your little sister!)

Dear Bear People,

I'm ten years old and I love CARE BEARS. First I saw them on TV, and now I read them, too.

My mother told me I could get a subscription to CARE BEARS, and in one other comic. But I can't decide which one! What do you think? My brother wants ALF.

Stephen Williams
Hartford, CT

That's a hard question, Stephen! Maybe you should go to your local comics store and check out all the titles, to decide which ones you like best!

Of course, if you want to know our personal favorites, we're glad to tell you. They happen to be MUPPET BABIES and COUNT DUCKULA... and HEATHCLIFF, BULLWINKLE & ROCKY... plus FLINTSTONE KIDS and ALF!

(Er, guess we aren't much help, anyway, are we? Good luck with your very pleasant dilemma!)

Dear Bear Facts,

I'm ten, and my name is Mike. I love you, Care Bear comics!

I liked "No-Heart's Rhyme-Crimes" [ish #17]. He rhymed the bears and they turned into what he rhymed! I rhymed Brave-Heart Lion and Good Luck Bear. Brave Heart became Slave Heart Lion, and Friar Tuck Bear is Good Luck Bear. I hope you like the pictures I sent.

I have one question: why is Grams Bear smart?

Mike Wilczek
Great Falls, MT

Mike, you know how all the Bears make mistakes once in awhile, right? When they're in a new situation, and don't know how to handle it? Well, Grams has been in most of those situations, and she's made most of those mistakes--except it was long ago, before anyone thought to put it in a comic book! Lucky for her, Grams has a long memory, and won't make those mistakes again. But it's also lucky for us. Grams still remembers how awful it feels to make a mistake--so she's extra understanding when others do the blundering!

And, wow, Mike! You're a poet and know it! We're glad you wanted to show it! (Though we're also glad No-Heart didn't see your pics--that dastardly villain doesn't need any more help in annoying our Bears!)
